

Encore Burst 100 IP

Code: I226100367

The ADJ Encore Burst 100 IP is a high intensity, IP65 outdoor rated audience blinder/strobe with 125W Warm white (2700K) CREE C.O.B. LED and dim to warm feature. The fixture is constructed of a rugged metal housing. The fixture features a dim to warm effect that replicates a halogen-like dimming profile with a 50-degree beam angle.

The Encore Burst 100 IP has selectable dimming curves, strobe effect, 4-button LED menu system, IP65 5-pin DMX In/Out plus IP65 Locking Power IN/Out to daisy chain power (rubber protective covers over connections).

Light Source:

- 1x 125W Warm white (2700K) CREE C.O.B. LED with dim to warm feature (Tungsten effect), 50,000 Hours
- 2,700K Color Temperature (1,200K Tungsten Mode), CRI: 81, 6641 LUX @ 1M; 266 LUX @ 5M

Features:

- 50-degree Beam Angle
- IP65 Outdoor Rated: protects from dust, sand, moisture, liquid. • DMX Modes: 4 (1/2/3/4)
- Dimming Curve Modes: 6
- 16-bit Dimming: 0 - 100%, Strobe & pulse control
- Adjustable LED Refresh Rate (900-25,000Hz) and Gamma Settings (2.0-2.8)
- Display: OLED display with 4-button touch menu
- Data Input: IP65 5pin DMX In/Out
- RDM (Remote Device Management)
- Power Input: IP65 Locking Power In/Out (with protective rubber caps)
- Safety Cable Loop
- Scissor yoke with Omega bracket attachment

Electrical:

- 100-240V 50Hz/60Hz (Auto Sensing)
- Max Power Consumption: 115W

Dimensions / Weight:

- Dimension (L x W x H): 234 x 249 x 300mm / 9.21" x 9.8" x 12.12"
- Weight: 9.25 lbs. (4.2kg)
