

INNO POCKET BEAM Q4™

#INN288

The Inno Pocket Beam Q4 is a mini Moving Head Beam effect with a bright 15-Watt Quad LED source. Its compact size and lightweight makes it ideal for mobile entertainers, small club and bars, roller rinks, bowling centers or any mobile production.

Featuring a quad color LED, the Inno Pocket Beam Q4 will give pure lighting excitement with its fast moving beams and color changes. It has a pan and tilt inversion mode that makes one head do the opposite of another when linked together.

Other control methods include: Sound active with 4 built-in shows, or use a DMX controller to create your own light shows.
