HALOGEN LAMP WARNING!

This fixture is fitted with halogen lamps which are highly susceptible to damage if improperly handled. Never touch lamp with bare fingers as the oil from your hands will shorten lamp life. Also, never move fixture until lamp has had ample time to cool. Remember, lamps are not covered under warranty conditions.

OPERATING INSTRUCTIONS:

Unit is ready to be hung or set on flat surface. Unit will react to bass sound of music via the internal microphone. Be sure not to obstruct cooling vents and keep in a well ventilated area. Fog will give the best results, fog or special effects smoke must be used in order to see the beams of light.

CAUTION: Front part of fixture will get extremely hot if operated for long periods. Please use a 5 min on/5 min off duty cycle for best results. Let cool before handling unit. Caution! Never open unit when in use. Always disconnect main power before serving or replacing lamp. Remember always replace same lamp and fuses.

Lamp replacement: Remove top cover of unit. Remove and replace lamps with the same wattage and voltage. For service contact American DJ. Toll Free: (800) 322-6337
